

The ParTicipAtoR

Newsletter of the Milton PTA

August 2018

The Milton PTA is holding a FREE barbeque the night before school begins, August 28, for the families of Milton Elementary School. This will be our “first day” event this year. We invite all families to come to the school starting at 5:30 to enjoy a hamburger or hotdog, let the children reconnect with their friends and meet their new teacher and classroom. Incoming Kindergarten families are invited, but the Kindergarteners will be starting school on September 4, everyone else will begin school the next day, August 29.

PTA is a great way for parents to connect with the school. Meetings are held on the first Wednesday of every month at the elementary school. The time will be alternated between 3:30 and 6:00 to make it convenient for people to attend our meetings. We try to provide babysitting at the meetings. Come see what we are about and give us some fresh ideas. All meeting dates and activities will be posted regularly on our face book page (friend us at MES PTA) and on the school website.

This year’s PTA officers are Brenda Forcier, President; Danielle Marique, Vice President; Laura Noseworthy, Treasurer/Business Donation Coordinator; Susan Welch, Secretary.

The PTA provides many programs and supports the teachers and classrooms in various ways. Last year we brought two different science presentations to our school to help enrich the curriculum. One was a blow-up planetarium and the other a dinosaur presentation. The kids loved these and learned a lot. Some favorite activities are Family Bingo night, Box top competitions, Teacher appreciation week and book swaps.

On the back of this paper is a list of current PTA fundraisers. These fundraisers are great because people are not being asked to buy anything or sell anything. Please take a moment and check them out. We usually hold one school wide fundraiser every year with the money going back to school projects, like new playground equipment or presentations.
